

The WAMSMB sanctioned 1st Asia Junior Marching Band Championship is organized exclusively for marching bands with members aged 16 years and below. This will open up a unique opportunity for junior groups from kindergartens, elementary schools and junior high schools to compete at a level that they are comfortable with. Community groups that are eligible and within the age limit could also participate in this event.

Events will include the marching show/display band competition, parade competition, color guard competition, and drum battle.
